BARASTOC

HORSE OF THE YEAR SHOW

PARKING

**Wednesday 17th – Sunday 21st February
Inclusive**

Due to the number of horses competing at the Barastoc Horse of the Year Show, a Traffic Management Plan has been prepared and will be implemented for the 2010 Show. In summary, the Plan will restrict access to the Equestrian Centre Precinct for non horse transport vehicles between 6.00am – 6.00pm daily.

*****All horse transport vehicles** must enter the Equestrian Centre Precinct via. **Gate 3**, which is the Main Entrance to the Centre. These vehicles will then park in accordance with the allocation of facilities, location of yards, competition rings, etc. Entry will be by ticket (Exhibitors Pass) or payment of an admission fees.

*****All non horse transport vehicles** must enter the Werribee Park Precinct via. **Gate 2**, which is the Main Entrance to the Park. These vehicles will then be parked in the Paddock at the back of the Equestrian Centre and occupants will enter via. the back Gate located near the Showjumping Arena. Entry will be by ticket and/or payment of an admission fee. Courtesy buses will be available from 7am daily to transport people around the venue.

Vehicle Pass/s to allow access to the Equestrian Centre Precinct will be issued at the discretion of the Organising Committee or its appointed representative. Entry will be from the back paddock parking area only. Once unloaded the vehicle may park on the venue on the understanding it will remain in one spot until 6.00pm. Vehicles found moving around the venue unnecessarily will have the Vehicle Pass confiscated and access to the Equestrian Centre Precinct will be denied for the remainder of the Show.

The Organising Committee, Equestrian Victoria and Werribee Park Equestrian Centre Management look forward to your cooperation. This plan has been designed to protect you, your family and horses.
